Breccos

ITALIA

Our creations are based on the best Italian manufacturing (with more than 42 steps of processing and 84 hands) combined with the research of the most sophisticated materials. Our mission for the 2022-23 collection is to offer comfortable and lightweight men's shoes, while maintaining the classic Italian taste. .

You will find 7 Soles of different types with different "functions" and materials, over 70 Models and you can choose to make them in different materials !

Over 200 processing steps are required to shape a Brecos shoe. Each of these steps is performed with maniacal care and unparalleled technical perfection, from manual cuts to seams from the strictly ecological dyeing to the finishing of the most original accessories from strictly ecological dyeing to the finishing of the most original accessories.

Accuracy the precision of the most innovative technological system is always supported by the skilful manual work performed by expert hands capable of giving each pair of shoes the unmistakable handcrafted imprint typical of the Brecos shoe.

Tradition and vanguard, quality and strength, style and comfort are the indispensable element in each Brecos brand creation to which the excellence of the best Italian leathers is added.
